St. Lucia Electricity Services Ltd. (LUCELEC) is the country"s vertically integrated electric utility and sole provider of power to the island"s 180,000 residents and 300,000 annual tourists. It faces a challenge familiar to many electric utilities, but with greater urgency and higher stakes: how best to strengthen its T& D systems to ...

There are two types of limitations: limited by shares and limited by guarantee. The most popular is the limited by shares because making guarantees can lead to higher liabilities which defeats the purpose of limiting one"s liabilities. The Companies Act of 1996 (hereafter the "Act") governs private limited companies in Saint Lucia (St ...
