The facility which was recently opened at La Tourney, Vieux Fort is expected to meet approximately 5% of Saint Lucia"s electricity demand. Managing Director of the St. Lucia Electricity Services Limited, Trevor Louisy reveals the project is ...

In my opinion, solar power in Saint Lucia remains in the hands of those who can make a large investment in the long term. For those who at some points cannot even afford the cost of electricity services, investing a large sum into solar panels is not a possibility, even though in the long term it will be consistently cheaper than traditional ...

Rocky Mountain Institute logo. Castries, Saint Lucia, September 29 2017; Today representatives from St. Lucia Electricity Services Limited (LUCELEC) and solar energy firm GRUPOTEC broke ground on a 3 megawatt (MW) solar farm in Saint Lucia, the first ever utility-scale renewable energy project on the island. The 3 MW facility is located near the Hewanorra ...
