Sharp solar solution asia co ltd Cabo Verde

Message from AISIN AI (THAILAND) CO.,LTD. On top of an optimized solar system to comply with 200V electrical system in our factory, Sharp Solar has also provided the best system that protects the reverse power flow to the grid. They also used special mountings in the design to avoid shading factors and flexibly responded to our requirements.

SSSA is a subsidiary company of SHARP Corporation (Japan) and Sharp Thai Co., Ltd. which was newly established as of 2011 to strategically expand the solar business in Asia by young and professional team with passion.

Sharp has 60 years of experience in the solar industry worldwide. We take pride in Sharp"s solar power systems, built to our strict quality standards and policies, to provide long-term durability and the confidence that comes with "Japan Quality."
