Sierra Leone ever exceed

The Sierra Leone Correctional Service (SLCS) operates under the following principles: "We respect and uphold the fundamental Human Rights of Inmates in the discharge of our duties, and strive to exceed the UN minimum standards for the treatment of Inmates. We keep Inmates in a healthy, safe and secure environment.

In Sierra Leone the Country Reports aggregate several classes that are not typically considered forest in the Sierra Leone context, but are definitely forest under global definitions (see Figure 2). Figure 8 illustrates the extent of land that the FAO Country Reports will describe as "forest" using the 1975 land cover data.

OverviewEconomyEtymologyHistoryGeographyGovernment and politicsDemographicsHealthBy the 1990s, economic activity was declining and economic infrastructure had become seriously degraded. Over the next decade, much of the formal economy was destroyed in the country"s civil war. Since the end of hostilities in January 2002, massive infusions of outside assistance have helped Sierra Leone begin to recover.
