Wholesale Solar Panels For Sale Homeowners and all types of businesses these days are seeking ways to cut down on their power consumption bill and reduce the overall operational cost. For this purpose, solar energy is the best alternative for them to be cost-effective and energy-efficient. In the upcoming decade, energy costs are estimated to become double. Solar panels ...

The Eswatini Energy Regulatory Authority (ESERA) officially announced the Globeleq and Sturdee Energy Consortium as the preferred bidder for its solar PV projects. Globeleq and its consortium partner, Sturdee Energy Southern Africa, have been awarded preferred bidder status for two 15MWac projects in the first tranche of the Kingdom of Eswatini ...

Independent power producer (IPP) Globeleq and its consortium partner, Sturdee Energy Southern Africa, have been selected as the preferred bidder to develop 30 MW of solar projects in the Kingdom of Eswatini.

The Eswatini Energy Regulatory Authority (Esera) has published the results of a tender for the construction of new solar power plants. The government body has selected the Globeleq-Sturdee Energy consortium as the preferred bidder for the construction of two solar photovoltaic plants with a combined capacity of 30 MWp.

According to the announcement, the bid is tied to the Balekane and the Ngwenya photovoltaic (PV) projects, each with 15 MW of capacity. The solar projects are located on separate parcels of private land in North Western Eswatini, in the Hhohho region.
