Solis batteries Uzbekistan

To ensure optimal efficiency of your solar system, Solis hybrid inverters have been tested for compatibility with a wide range of Lithium batteries. More battery manufacturers will be added to our compatibility list in the future.

Discover how Solis, a global leader in PV inverters, is shaping Uzbekistan"s energy transition at UzEnergyExpo and UzStroyExpo. Explore innovative solutions for homes, industries, and businesses, driving the nation"s commitment to renewables.

The Power Uzbekistan is the stand out show for renewable energy in Uzbekistan. Visit to discover market insights, view new products and network with industry colleagues. The local Solis team will be on hand and waiting for you.

You can order solar panels together with battery systems to create an autonomous power supply system. The companies represented on our website provide a full range of services, including assistance in choosing the right system, design and professional installation.

Each service center has a warehouse of original Solis/Sonalika spare parts. The warehouses store the necessary spare parts for Tractors and Implements for prompt repair of equipment. If a rare part is needed, it can be ordered directly from the Solis manufacturer.

Official distributor in the Republic of Uzbekistan. Our company in Uzbekistan, which is the official distributor of "International Tractors Limited" in India, offers innovative solutions to your doorstep.

Advancing Solar Energy Solutions at UzEnergyExpo and UzStroyExpo Ginlong (Solis), a renowned manufacturer of photovoltaic (PV) inverters and the world"s third-largest player in the solar energy sector, recently made a significant impact on Uzbekistan"s energy transition strategy.
