Sony fortelion Croatia

Are there any commercial projects using the Sony Fortelion battery?
Likewise,difficult to get much information on the Fronius (Sony) Battery but there's a few commercial projectsof note by Energy Made Clean. Here's some ASX announcements that have two WA projects using the Sony Fortelion (Thevenard Island &Meta Maya).

Is Sony Fortelion a fault?
Sony Fortelion: No faults. Around 81% of capacity left after the equivalent of 10 years of daily cycling. Tesla Powerwall 1: The Powerwall 1 could not be controlled by the Test Centre and so charged and discharged at its maximum rate. This caused it to charge and discharge in 2-hour periods instead of 3.

Does the Sony Fortelion have a BMS racking option?
The Sony Fortelion has 3 varieties of BMSwhich are externally identical - You'd be going for a different racking option (the modules fit in standard 19" computer server racks). It'd be an interesting question to ask Fronius if an extra couple of modules would be supported.

What is better Sony Fortelion or Samsung aio10.8?
Samsung AIO10.8 - The Samsung AIO10.8 has completed a high number of cycles due to high reliability. No operational issues have been experienced during testing. Sony Fortelion - The Sony pack has completed a high number of cycles due to high reliability. No operational issues have been experienced during testing.
