A battery container that is lightweight, handy, and portable. It helps you stay organized and makes it easy to distinguish between charged and depleted batteries. Simply place charged batteries with the positive terminal facing down and depleted ones with the positive terminal facing up.

Storacell"s patented locking system snaps batteries into place; batteries snap into place and remove easily. When ready to use, simply push the battery out with your thumb. Keep fresh batteries separate from used batteries by turning them in opposite directions. The Storacell Battery Caddy provides the best terminal protection at both ends.
