Sunbeam systems Zambia

What are sunbeamsystem solar panels?
SUNBEAMsystem solar panels are available in different models and with extra features. The SMART LITHIUM batteries is the next big step in battery safety and technology. The Plug & Play Range ensures a true effortless installation. The Drive Range offer the advanced energy storage for any size of marine propulsion.

Who is sunbeamsystem?
SUNBEAMsystem is a market leader in high-performance solar panels for the most demanding circumstances. Most popular applications include the professional marine yachting industry and extreme off-grid environments,ranging from both arctic to tropical climates.

How safe is sunbeamsystem?
SUNBEAMsystem uses the ultimate payment safety module in order to ensure that our shop is totally safe. Made from extremely durable materials,SUNBEAMsystem products feature up to 5 years warranty. The Swedish company SUNBEAMsystem is renowned for its innovative high-quality power solutions.

Why should you choose sunbeamsystem?
SUNBEAMsystem has the technology to power every kind of adventure. From the Yachting/Marine industry to the mobility and off-grid applications. Our Solar Panels are renowned for their small dimensions and incorporating incredible efficiency. By their design,build quality,and high UV tolerance the Tough series feature longevity.

What is the warranty on sunbeamsystem products?
Made from extremely durable materials,SUNBEAMsystem products feature up to 5 yearswarranty. The Swedish company SUNBEAMsystem is renowned for its innovative high-quality power solutions. If playback doesn't begin shortly,try restarting your device.

SUNBEAMsystem solar panels have the smallest footprint thanks to world-record efficient solar cells npower Maxeon cells are by far the best and most efficient solar cells currently available. Resulting in the highest possible production per m 2 dependent tests put the solar cells at the top of real-world yield. Combined with these cells is the Tough Surface from SUNBEAMsystem ...

SUNBEAMsystem"s SMART LITHIUM batteries are designed with an unparalleled safety architecture, distinguishing them from conventional lithium-ion technologies.Our batteries are rigorously tested to withstand extreme conditions without sacrificing safety. Here"s how we ensure the highest safety standards: Advanced Safety Chemistry: Our batteries use Lithium Iron ...

Max System Voltage (incl. by-pass diode) 30V (80V) Vmp - Tension de puissance maximale: 20,48 V: Imp -

Puissance maximale ampère: 6,08 A: Voc - Circuit ouvert de tension: 23,26: ...

The Nordic series has been developed by SUNBEAMsystem for use in its region of origin: the northern latitudes offers a universal solution for applications with a requirement for lightweight, flexible and compact solar panels cause of being more efficient than standard glass solar panels you"ll get a higher power output from a relatively small surface area.

Modules solaires SUNBEAM - Pour une production d"énergie optimale à bord de votre navire - Améliorez l"efficacité de votre production solaire à bord en investissant dans des cellules solaires SUNBEM. Un certain nombre de facteurs, qui dépendent de votre équipement à bord, doivent être pris en considération avant tout achat.

The SUNBEAMsystem SMART LITHIUM MULTI models offer an unbeatable combination of power, convenience, and reliability, with improved capacities of up to 108Ah for 12V systems, and the new 54Ah - 24V MULTI model. Upgrade your system today and experience the most advanced user experience on the market.

The new Maxa series is packed with a lot of the unique features you will only find on a SUNBEAMsystem solar panel. It"s fitted with an ETFE surface (the next best thing after SUNBEAMsystem Tough surface) and comes at a very sharp price. ...
