Sunstream solar Uganda

This project integrates development economics with theoretical work on dynamic incentives, by providing trade credit to small-scale entrepreneurs in an experiment in Uganda. In the study, women traders will be offered "free trials" of a good, in this case a low-cost solar lamp, with the right to return any unsold units.

World Panel is a USA company, established following a trip made by our founder to Uganda in 2011. Sharing a prototype solar panel for lights, all anyone wanted to know was, "Can you charge my phone?" ... I contracted Sunstream Energy to install a solar PV system in late 2019 with the objective of reducing electricity costs. I was a little aprehensive when they proposed a ground mounted system using double sided panels arranged in three rows facing east-west despite having ample south facing roof space.

Overall Rating: Sunstream Solar LLC has an overall rating of 4.5 based on 4 reviews. Years in Business: The company has been in business for 5 years. State it Serves: Sunstream Solar LLC serves the state of North

Carolina, USA. History: The company was started by John Anderson in 2011 after witnessing energy poverty first hand on a trip to Uganda. ...
