Tinia group Zimbabwe

Reposted from thediplomat.ro in 20 martie 2023. TINIA Group, a green energy company, is currently developing an innovative solution based on AI and blockchain with the goal of decentralizing the distribution of solar energy, ensuring lower costs for the energy used, while reducing energy consumption.

Tinia is facilitating peer-to-peer energy trading through its advanced technologies such as blockchain and AI. Tinia"s platform enables secure and transparent energy transactions in real-time, ensuring that energy producers are paid fairly for the energy they generate and that energy consumers receive the energy they have paid for.

Upon her return to Zimbabwe, Tania worked as the Financial Director for Cambria Africa PLC, a Zimbabwean focused investment company, before she joined the Cardinal Group of Companies in 2014. Tania is a Partner and Director of ...
