CMG Cleantech S.A. (CMG) is driven by a strong, secure ESG strategy - to develop the clean hydrogen and solar technology at its disposal and help countries, organisations and individuals alleviate their environmental impacts and meet ambitious 2050 carbon neutrality goals. CMG Cleantech S.A. is formerly known as Compagnie Mercosur Grecemar S.A.

Challenges and Opportunities for Canadian Cleantech. Let"s face it, an invisible enemy is harder to fight. CO 2 is odourless and colourless, but evidence of climate change is all around us. The hottest day ever recorded globally was July 3, 2023, and we witnessed a stream of climate disasters from forest fires to floods to hurricanes.
