Not a server rack battery but I sure wish I had found this thread before I ordered a 12v/250ah/3.2kwh Vestwoods battery 2 days ago. Ordered Sunday night, out for delivery via FedEx this morning (Tuesday). Hopefully it performs well, planning on ordering 3 more over the next year. Cost comes in at .244 cents per watt with tax and delivered.??

Vestwoods originally developed the world"s first intelligent BMS (Battery Management System) which was used in many other brands. The Vestwoods lithium battery range is designed with a 20 year life span and includes cooling ...
